& DAILY STATISTICS ON REQUEST

4.0 FACILITATION CERTIFIABLE

TECHNICAL INFORMATION

- Label printing unit for stainless steel tags resisting to thermal treatment
- Tags readability thanks to the identification of best tagging position
- Anti-rotation Clips binding

Technical support is always available but...
TAKE CARE OF YOUR ROBOT!

Polytec suggests you to take care of robotic cells dedicating a couple of hours, once a week, to clean and to check most relevant components/ tools. Once a year, a one-day BM Service is worth.

Writing to service@bmgroup.com you can reserve the best time, according to production plans.
